## Sugar Smart World report

1. Can you help Rocky the Ranger with his sugar sums?

1. Find the total number of sugar cubes in these items.

 + 
 
 = \_\_\_\_\_

 + 
 
 = \_\_\_\_\_

 + 
 
 + 
 
 = \_\_\_\_\_

Can you find two possible combinations?

[?] + [?] = 12  
 \_\_\_\_\_

2. How many more sugar cubes is this than the daily maximum for children aged 4-6?

3. Can you make a swap? Circle the healthier food and drink that you like.

Remember,  
the daily  
maximum for  
children aged  
4-6 is 5 cubes
